

Belle Glade City Election Set For September 12th

Kahn's To Merge Two Stores Into Operation Here

Mr. Joe Kahn, announced this week he is consolidating his two stores into one large operation and will move the entire business to Belle Glade effective October 1st.

As a merchant in the Glades the past 35 years, Mr. Kahn has watched the trend and come up with the conviction that the entire area can better be served by one larger store. "Since Pahokee and Belle Glade are separated by only 10 miles and Belle Glade is more centrally located, we feel we will be able to offer a larger assortment of merchandise and give even better service by combining both stores at the Belle Glade location."

Mr. Kahn, who had worked with his brother in the department store business in Pahokee, came to the Glades to open his own business. He landed his boat in Moore Haven where he opened his first department store in 1947. In spite of an almost complete wipe-out in the '28 hurricane, he came back strong, and four years later began business in Pahokee.

Under his industrious and progressive guidance the Belle Glade store was opened in 1959 and moved into their present modern building in 1968.

Mr. and Mrs. Kahn, who extend their sincere appreciation to their many friends for the goodwill and patronage given the Pahokee store during the past 32 years, will continue to make their home in Pahokee.

"We will carry an even larger variety of Nationally advertised merchandise at the Belle Glade store," Alfred Kahn, who with his father, will manage the business, announced.

Twelve seven-digit telephone numbers were assigned in Belle Glade on new connections by Southern Bell Telephone Company through Wednesday night. The change-over for the area began September 1st.

One or Two PTA Associations in Belle Glade is the current question. Parents are urged to attend the Sept. 11 meeting to determine the outcome of this issue.

Lots of campers were enjoying the Belle Glade picnic grounds over the weekend holidays. Several local folks say they find it enjoyable to camp out for a week there, even to live only a mile or less away. The many improvements made in that area are attracting more and more people.

The Glades came up with a top record over Labor Day weekend. According to Florida Highway Patrol there were no accidents of any consequence in the area.

Where were all the home folks over Labor Day? The Legion and Auxiliary had particular reason to note their absence when the usual large crowd failed to turn out for the annual barbecue. Lots of members took home the bacon with barbecued chicken and ribs in an attempt to save the day.

A warm welcome to the seven new families who entered our community during the past week. There were likely more than seven... new faces are seen everywhere we turn, but this group of newcomers were accounted for and aided in getting settled by our Chamber of Commerce.

You must attend the first Civil Defense class being held at the High School tonight to get in on this instruction course. Be there at 7:00.

The National Guard met at Army National Guard three nights last week. The only information available seemed to be "we were issued clothes."

Dr. John L. Grady opened practice with Dr. J. Allen Baker in Belle Glade Tuesday, coming from Mount Park Hospital, St. Petersburg. Dr. Grady is a native of Omaha, Nebraska.

Belle Glade City Election Set For September 12th

Approximately 5250 Students Enrolled In Glades Area Schools As Of Sept. 5

Schools opened here Tuesday with a bustle of activity as a total of 5234 students enrolled in schools in the Glades area from Lake Harbor to Canal Point. This is only a beginning of the year's total as many additional students will enter as the season progresses.

School offices were humming with problems and the day proved a wearying one for the more than 150 teachers, plus office personnel. It is expected attendance against last year's record will be up considerably when the final figures are in.

Belle Glade High School opened with 649 students for grades 7 thru 12, down slightly from last year's initial enrollment figure. There are 35 teachers on the staff this year.

A breakdown shows 90 seniors; 88 juniors; 97 tenth graders; 160 ninth graders; 117 eighth graders and 97 seventh graders. This indicates the growth trend of a few years hence.

Belle Glade Elementary enrolled 831 students, grades 1 thru 6 and report 29 classroom teachers.

Oceola has a total of 156 students, first thru 8th grade, with 11 teachers.

Pahokee High School enrolled 402 the first day and has a teaching staff of 20.

Pahokee Elementary, 415 students, 15 teachers.

Canal Point, 141 students, 8 teachers.

Lake Harbor, 48 students, 3 teachers.

South Bay Elementary -- 8 grades, 174 students, 8 teachers.

South Bay Rosenwald, 274 students (6 grades).

Okeechobee Elementary, 187 students, 8 teachers.

Lake Shore High School, 453, 31 teachers.

Lake Shore Elementary, 730 students, 31 teachers.

Overglades Camp School, 152 students, 8 teachers.

East Lake School, 504 students, 35 teachers.

Bryant, 118 students and 4 teachers.

Building Activity Down From Year Ago

Building Inspector W. L. Cunningham report 68 permits were issued during the month of August.

New homes, business, repairs and additions (electrical work, demolitions and moving, with a total valuation of \$140,050.00.

This figure includes three new homes and one place of business.

A decrease of \$101,512.00 valuation is reported for the first eight months of 1981 as against a year ago.

Last Chance Register Tonight For Jr. College Classes In B. G.

Registrations to date for Palm Beach Junior College classes at Belle Glade High School justify five only evening classes, Principal Pellon Morris announced Wednesday.

"In spite of a flood of inquiries there has not been enough final interest shown to make up afternoon classes," Mr. Morris said.

Classes this week started Tuesday night.

Tuesday -- Accounting No. 102 (2nd Semester) -- Educational -- Psychology.

Wednesday -- Horticulture No. 221 -- Human Institutions No. 102.

Thursday -- General Psychology No. 201.

Anyone desiring to enter any of the following classes is urged to register tonight (Sept. 7) at 7 o'clock at the High School.

One Or Two PTA's To Parents To Decide

Interested in organizing an Elementary School PTA, a group of parents met last week at the home of Mr. and Mrs. John Kinlaw.

President D. W. Fisher of the PTA gave a talk, followed by a question and answer period. Mrs. Mina Murray, last year's PTA president, also presented.

The issue of having a PTA for the Elementary School was brought up and defeated at a meeting last year and since that time many of the parents are still for it. Mr. Fisher told the group he would announce it at the next meeting of the PTA, Sept. 11, to be brought up at the following meeting for voting.

All parents are urged to come out and vote one way or another. The parents present will be campaigning for a separate PTA for the Elementary School, at the meeting next week.

Market Steady 61% Slaughter

The entire sale at Glade Livestock Market was steady with few slaughter calves on hand Monday, Sept. 4. 783 cattle sold for \$89,097. 73 with 61 percent slaughter, 19 percent to stocker. 34 percent of the run was cows and 85 percent to slaughter.

Slaughter: 160 Steers, 37 Heifers, 41 Calves, 228 Cows, 51 Bulls. Stocker: 109 Steers, 51 Heifers, 85 Calves, 39 Cows, 12 Bulls.

Three Commissioners Unopposed Yet Your Vote Vitrally Needed

Belle Glade City Election is set for next Tuesday, September 12, when qualified electors will have an opportunity AND RESPONSIBILITY to visit the polls at the American Legion Hall and cast their vote for city officials.

Last year, the city clerk reports only 78 voted in the city election out of 1256 qualified registered voters!

"The fact that the three incumbent city commissioners were given no announced opposition and are the only three candidates for election DOES NOT relieve us of our obligation to cast this vote," the city clerk reminded.

This is the first time in Belle Glade's history that three incumbent city fathers have been challenged in an election. Asking your confidence expressed by your vote are commissioner Clyde Parrish of North Borough; Commissioner Paul Davidson of West Borough; and F. C. Markham of Central Borough.

Commissioner Davidson is up for his third term and Parrish and Markham for second terms in office.

These commissioners who apparently have well pleased the voters in the last election, ask you to vote for the services rendered our city. Even more they need to know they have support for another term in office.

Don't lose sight of your right to write in a name if you so desire. Whatever you are doing take time to vote. Polls are open 12 hours from 7 a.m. 'til 7 p.m.

It was startling to notice the list of about 240 names published by our city clerk. Notice last week included many of our most active and responsible citizens, who for one reason or another had for the last two years failed to cast their ballot in the City Elections.

Leading business men, farmers, heavy taxpayers, teachers, and city employees.

Approximately half of these citizens have, since the publication of the list, qualified to vote in next Tuesday's election by returning the reminder cards sent out by the Supervisor of Elections.

Don't let the reminder cards go to waste. We hope this will not be the last time you will be asked to vote in a government official said.

A purge of the county registration voters list is now under way. At this time it appears over 12,000 names will be removed because of their failure to vote in the last two years.

Some of these people have died or moved into other areas, but the great bulk of them have just not bothered to vote.

They have the first responsibility of citizenship and there is no justification for an individual's failure to exercise that right. While some of our State laws affecting people in transit may be too complex and absentee balloting sometimes difficult, the fact remains there are many Americans today who have never voted in their whole life.

Some next Tuesday, let's all be at the polls.

Lend A Hand... Won't You??

"There are so many good things to be said about Belle Glade. It would not be possible to enumerate them all," L. L. Price executive secretary of the Chamber of Commerce said.

"It is most important that everyone who possibly can take these classes if they hope to survive in case of a nuclear attack," Mr. Morris urged, "and of course this must be as grave as possible at this time."

A Nation prepared to dig in and live rather than to panic and die is much less likely to be attacked," he emphasized.

Mr. Otis Harvey, county coordinator of Civil Defense Adult Education and a member of the United States Veterans Education department of the Palm Beach County Schools will be the instructor.

How can we get EVERYONE on the ball to do the job for our city that needs doing? L. L. asked.

Here's YOUR chance for service... help yourself by helping YOUR town through our Chamber of Commerce.

What Price Citizenship Does My Vote Count?

A precious heritage... the right to vote... won by the sweat and blood of our ancestors, is today held rather lightly by too many American citizens. Too many people fail to vote in City, County and State Elections. The trend is a dangerous one and freedom is daily taken for granted could be lost... lost by our indifference or carelessness.

Khrushchev boasts our children will live under Communism! His deduction could well have been based on the apparent apathy of our citizens in voting, when very seldom do over fifty percent of the people bother to register and vote.

On the face of such a record would one be impressed by the diligence shown to protect the GOVERNMENT OF THE PEOPLE. "It can't happen here," we say, but every day more of us are appalled at conditions confronting our country. Indifference toward our responsibilities as citizens soon the very seeds our enemies are trying to nourish within our free America.

Andrew Jackson said: "As long as our Government is administered for the good of the people and is REGULATED BY THEIR WILL, it will be worth defending."

We do not expect to consider that a well organized minority could, EVEN IN OUR OWN HOME TOWN write in AND ELECT questionable or unqualified public servants into our government when we fail to vote?

On the face of it next Tuesday's election seems but routine... three incumbent commissioners are up for your vote... but an election must still be held... an election to preserve the democratic way. Vote to express your appreciation to these city servants... give them the vote to let them know they have your continued support... or it is your privilege to write in a name... BUT VOTE.

Don't lose your right to vote, fellow citizens! It's later than you may realize.

September Is Beautification Month
For Belle Glade And All Of Florida

James C. Herrod
Ass't. Ag Teacher

Editor's Note: This is the first in a series of pictures and write ups introducing new teachers in the Belle Glade Schools.

This week we introduce James C. Herrod, new vocational agriculture teacher, assistant to S. S. Loyd, Ag instructor and FFA advisor. Arriving here on July 1, Mr. Herrod has had ample time to acquaint himself with the new job.

In addition, Mr. Herrod is a graduate of Woodland High School, served four years in the Air Force and is a graduate of Mississippi State University, Starkville, Miss. This is his first teaching position and he finds the work interesting.

Mr. Herrod and his wife, Etelle are residing in the Jones Apts., in the Northwest section. Mrs. Herrod who is 7th grade English teacher will be in the news later.

City Dept. Heads
Will Take Special
C. D. Training

Ten Belle Glade Police officers are qualified to take the radiological defense training course, Chief Charles Goodlett announced.

In addition, all department heads will be required to have the same training, including the Fireman, which will likely be divided into two sessions, he said.

City Manager Royce Owens and Mayor Palmer January will attend a meeting on Tuesday night at the Civil Defense headquarters in West Palm Beach to get all the latest information on the national program.

Drivers License, Validation Stamps
Now Available At Glades Office Bldg.

Drivers license and validation stamp, fee twenty five cents, stating the license is extended, to the drivers birth date.

If you have any questions regarding your drivers license renewal, call the Glades Office Building, A Post Office box is maintained in Belle Glade and Pahokee for those preferring to renew their license by mail.

Validation stamps are available through the Sheriff Substation on Saturday and Sunday only, in case of emergencies.

All-Star Team Wins Recognition For Sportsmanship In State Meet

THE GLADES ALL STARS comprised of players from Belle Glade, South Bay and Pahokee, above are seated, 1 to 7—Bryant Davis, Armando Morrell, Barry Duke, Gary Mann, Don Wilkinson and John Evans. Kneeling are Eddie Kneeling, Mike Coward, Bert Davis, Keith Padgett, John Pail and David Kersay; standing, Coach Tom Swager, Manager Alvin Early, Alberto Morrell, Jimmy Johnson, Ace Salvador, Richard Butler, and Coach Alberto Morrell, Sr.

Placing third in State competition, this season's competition in football, we hope the same ardent spirit of team sportsman-ship will prevail... and we recognize for their adherence to know it will.

It is particularly noteworthy that our boys can compete fervently on individual teams and joining together as all-stars come up with the top recognition of all... SPORTSMANSHIP. As opposing teams, the Rams and Blue Devils, warm up for growth.

CHILD SAFETY WEEK

DRIVE CAREFULLY

Watch For The Children

SEPT. 6-13 and EVERY WEEK!

With the starting of school this Tuesday, Belle Glade is again a beehive of traffic activity with parents taking their children to and from school.

For some of the children who walk, safety measures have been provided by the installation of the pedestrian tunnel under the bridge at Main and Canal Street. The Jaycees last week concluded their annual project of painting green walking-strips where the children may cross busy streets safely, which drivers are urged to heed.

Still, the ultimate safety of our children is in our hands. Many children will be starting school for the first time with their minds on this glorious new experience and not thinking of their safety.

Drivers are urged to remember the heedlessness of childhood... the fact that children

often forget to be careful. Safety lessons must be taught and stressed in the home. Parents should insist their children always take the nearest and safest route to and from school, teaching them to cross intersections with traffic lights when possible.

Yet, no matter how hard parents try, and what safeguards we try to place around our small children, they become engrossed in their own thoughts and the big wonderful world about them, with never a thought for their safety.

With over 1,000,000 children in schools throughout the state this year, The Florida Safety Council urges drivers everywhere to use every caution in driving near schools, especially as school opens in the morning and at closing time. OBSERVE THE SPEED RULES AND W-A-T-C-H FOR THE CHILDREN!

Uncle Dan From Democrat River

Dear Mister Editor:

I see by the papers where they have outlived exposed shirt tails on the public streets in Florence, South Carolina. Any fellow caught with his shirt tail hanging out gets fined \$12 and the court cost.

That's a mighty fine law and I aim to write the Mayor of that city and congratulate him. This fad of wearing your shirt tail blowing in the breeze is a abomination unto decency. In the first place, you never know if the fellow is wearing it outside on purpose or whether it slipped out when he wasn't

looking. And you walk down the street a block wondering about that instead of keeping your mind on your troubles. Man is a ornery animal anyhow. For centuries he has been plagued with the job of keeping his shirt tail in. It would crawl out over time he'd jump for the butter at the table. Sometimes it would just jump out from pure cussedness. A fellow walking down the evel at church Sunday morning never knewed fer shore if his shirt tail was in or out. It was a matter of constant concern for all modest men.

Then, a few year ago, somebody come out with a invention to keep the shirt tail from crawling out. They put little rubber strips inside the waist band. That turned the trick. It was a remedy fer a bad situation that had existed since the first dayman wore shirt tails.

And about the same day this smart inventor solved the creeping shirt tail problem, some other fellow come out with this crazy fad of wearing the shirt tail on the outside. Sometimes I think man gits about what he deserves in this world.

I see where this column writer just back from Russia says ole Khrushchev ain't getting no place with his horse meat program. I reckon it's pritty hard to sell them Russians the idea they're burying the West with production and sell 'em a horse meat diet at the same time. My sympathy is all fer the horse and I'm again horse meat as a matter of principle, but if horses burgers will help them Russians develop some horse sense, I'll go along with it fer a spell, starting with Khrushchev.

Well, Mister Editor, fall is just around the corner, vacations is gitting over and folks will have to get down to work again. I've found that after 50 a fellow still has lots on the ball, but it's harder to get the ball rolling. Most of the city kin-folks has all gone home from their summer visit and all us country folks has got to do now is refill the cupboard.

Yours truly,
Uncle Dan

OES Observes Founders Day

In observance of Robert Morris Day, over 50 attended the pot luck dinner last Thursday night at the Masonic Temple. Fred Simmons, worthy patron, was master of ceremonies. Guests introduced were the worthy matron and worthy patron of the Pahokee Chapter of OES, the Demolay Chapter advisor R. J. Allen, Jr., and the Rainbow mother advisor, Mrs. Mary DeGraw.

South Bay Playground Closes

Summer Program With Parties

A large group of children enjoyed a wiener roast and swim party at the Pahokee dike on Friday. The children were transported to the dike in a truck by Floyd Wilder one of the thefters. Miss Myrtice Gilman, park supervisor was assisted by Linda and Sharon Wilder, while the children were in swimming. Lillie Wilder was in charge of the food.

A sloppy Joe party climaxed the summer program Thursday night with over 100 attending. The party started at 7 p. m. The food was prepared and served by Mrs. Floyd Wilder, Mrs. J. C. Bowen, Mrs. Meade Willis,

Mrs. Ray Sullivan, Mrs. W. E. Gettys, Jr., and Mrs. Thomas Williams.

Later games were played. The smaller children through teenagers entered in charades... The pantomime of some of the children was so good, even the parents could not resist in participating.

There were also contests in Indian wrestling, Armpin, Chinese Pushups for the boys while the girls played "Friendly Enemies." The teenagers remained to dance after the smaller children had retired. Two city councilmen, Franklin Kelly, park commissioner and Henry Elfers, vice mayor were among the guests.

CHURCH NEWS

Timmy Bass Plans To Enter Ministry

Timmy Bass, who has spent the summer working in Eau Gallie, was home the past week end for a visit with his family and friends before entering school this year at Brevard Junior College in Eau Gallie.

Timmy graduated this spring from Belle Glade High School.

Friends here who knew of his desire to study the Priest hood lent assistance in establishing him in the home of Father Hugh Cuthbertson who heads the Episcopal Church Mission in Eau Gallie.

Father Cuthbertson has assisted Timmy in his selection of college subjects for the ministry and this year he will study French, Biology, English, Social Science Survey, Psychology and Physical Education.

Questioning Timmy in his desire to be a Priest we find that he has planned in this direction since the age of 9. He was confirmed in Belle Glade Episcopal Church at 12 years old and served last year as president of the Episcopal Youth Conference.

Belle Glade, was president of Palm Beach Deanery, and elected treasurer of the EYC District.

"Whenever I saw a Priest or Father since the age of 9 I've tried to get into a conversation with him to find out all I could about the requirements to be a servant of the Gospel," Timmy said. "I believe God has guided me in giving me all this wonderful help and I hope I prove myself worthy to be in His service."

Timmy worked as a cook this summer at Goodyear's Pharmacy in Eau Gallie and saved enough money for college registration.

Father Cuthbertson will assist him financially if need be and "will see I observe strict study habits at home," Timmy said.

Following two years at Brevard Junior College, he plans to enter the University of the South at Suwanee, Tennessee for two years, then go on to Seminary. About seven years study is required in all.

Our very best to you, Timmy. We hope you'll make it all the way and somehow know you will.

Mrs. Allen Entertains Circles At Luncheon

Miss Elliott-Howard Grantz Say Vows

MR. AND MRS. H. E. GRANTZ

On Friday, August 18, Miss Carrie Lee Elliott, daughter of Mr. and Mrs. John Lee Elliott, was united in marriage to Howard Edward Grantz, Jr., son of Mr. and Mrs. Howard E. Grantz of Sutherlin, Oregon.

The wedding was performed in a simple ceremony at the Church of God, Belle Glade, with the Rev. S. J. Davis, pastor officiating.

The bride wore a street length gown of white organza over tulle and tulle, fashioned with cap sleeves, round neckline and empire waist. Her accessories were white and she wore an orchid shoulder corsage.

Mrs. B. A. Geiger of Canal Point was matron of honor. Her dress was a beige embroidered linen sheath with pink accessories and her corsage was of carnations. Mr. B. A. Geiger was best man.

The bride's mother wore a sky blue shantung dress with white accessories and her flowers were carnations.

A small reception was held at the Elliott home.

Mrs. Grantz attended Belle Glade High School. Mr. Grantz graduated from Belle Township High School, Salina, Pa., and served four years in the Army. He presently employed by J. G. Weeks Trucking Co.

Wed In First Baptist Church, South Bay

MR. AND MRS. GARY T. BAKER

The First Baptist Church of South Bay was the setting for the marriage of Miss Madeline J. Richards to Gary Thomas Baker of Conway, Ark., at 7:30 p. m. August 22.

The bride is the daughter of Mr. and Mrs. T. J. Baker of Conway, Ark.

The double-ring vows were spoken with the Rev. James A. Fenton, pastor, officiating. Baskets of white gladioli and a background of palms and four candelabra holding white tapers formed the church decorations.

Mrs. Z. T. Ingram was organist and Miss Annie Powell, soloist.

Given in marriage by her uncle, Floyd Andrews, the bride wore a white length gown of Chantilly lace and tulle over tulle. The fitted bodice was fashioned with a square neckline lavishly trimmed with seed pearls and iridescent sequins. The voluminous skirt was of scalloped tulle. Her finger tip veil was attached to a band of seed pearls, and she carried a Bible with an orchid and stephanotis.

Miss Linda Richards was her sister's maid of honor in a baby blue dress of bridal satin, featuring a fitted bodice with a full skirt.

Dulany Home Scene Of Rehearsal Dinner

The home of Mr. and Mrs. John A. Dulany, 225 N. W. Ave. E., was the setting last Thursday evening at 6 o'clock of a dinner honoring participants in the Draa-Dulany wedding of Sept. 1.

The party coming wedding was depicted in the center-piece of the dinner table by means of a miniature bride and groom, minister, bridal attendants and a church. The table cloth was ecru lace over pink and the dinner appointments, flowers and tapers were also of pink.

Places were arranged for the Rev. and Mrs. Lee D. Rustin, Miss Sandra Draa, Philip Dulany, the Misses Cindy Ponder, Gloria Miriam Smith, Terry Tucker, Linda Rabin, Karen Vadas, Dewitt Draa, Jim Schoppel, Pahokee, Dow McClelland, Canal Point, Eileen and Janice Weldon, Gainesville, Vince Draa, Jacksonville, Mr. and Mrs. H. V. Draa, Sr., Mr. and Mrs. Milton O. Carpenter, Mr. and Mrs. Sydney K. Smith, Jr., Mrs. Calvin A. Shive and Mrs. Duncan Padgett, both of Pahokee.

Winters-Carter Engagement Told

Mr. and Mrs. Harold Edward Winters of Winter Haven announced the engagement of their daughter, Mary Sue, to William Efford Carter, son of Mr. and Mrs. Willie Efford Carter of Belle Glade.

Miss Winters is a graduate of Winter Haven High School and is now attending Winter Haven Business College. She is presently employed at Central Florida Gas Corp.

A graduate of Belle Glade High School and now with the U. S. A. F. A 24 W. E. Carter is presently stationed at McCoy AFB in Orlando.

The wedding has been planned for Oct. 20.

Surprise Party Given Michael Rhudy, Six

A big surprise awaited Michael Rhudy, son of Mr. and Mrs. Lester Rhudy on Thursday afternoon at the Park recreation room. It was his sixth birthday and in celebration his aunt, Miss Carol Wise entertained at a surprise party. It also marked his first day at school.

Quite a few of his playmates were present and were awarded favors of balloons, bubble gum and party baskets filled with candy. A lovely birthday cake was served with ice cream and punch.

Enjoying the occasion were Angie and Frankie Sheridan, Pam and Linda Bonard, Kathy and Steven Barrosse, Jessie Nellie and Pat Rowe, Tim Warren and Paul Prescott, Pamela Buss, Paula Bearden, Karen Rhudy, Deborah Prevatt and Gary Prevatt.

Adults present were Mrs. Russell Buss, Mrs. Ted Sheridan, Mrs. Paul Bearden, Mrs. Gen. Barrosse, Mrs. Edwin Motes, Mrs. Fred Rowe, Michael's parents and Carol.

A miniature bride and groom. Among the out of town guests were Mr. A. Gunn, Alexandria City, Ala., uncle of the groom; Mrs. Agie Sweeney, New Smyrna, Fla., aunt of the bride; and Mrs. Baker of Alexandria City, Ala., grandmother of the groom.

The couple left on a wedding trip to Conway, Ark., where they will reside.

Mrs. Baker is a 1961 graduate of Belle Glade High School, where she was a member of the Art Club and the Student Council. Mr. Baker is a 1960 graduate of Trade High School, Louisville, Ky.

For her daughter's wedding Mrs. Gurr wore an apricot silk brocaded dress with beige accessories and a beige orchid corsage. Mrs. Baker, the groom's mother, wore an embroidered linen beige dress with matching accessories and a lavender orchid corsage.

Assisting at the reception held at the home of Mr. and Mrs. L. G. Berryhill were Mrs. Frank Prevatt, Miss Carol McClure, Miss Betty Hall and Mrs. Jack Cook. The bride's table was a three tiered wedding cake decorated with yellow roses and

Sandra Draa And Philip A. Dulany Speak Wedding Vows Friday Evening

MR. AND MRS. PHILIP A. DULANY

Baskets of white gladioli and chrysanthemums were used with cathedral candelabra and palms to enhance Community Methodist Church for the marriage Friday evening at 7:30 o'clock of Miss Sandra Draa to Philip Allen Dulany, son of Mr. and Mrs. John A. Dulany.

The double ring ceremony was performed by the Reverend Lee D. Rustin. Miss Karen Vadas at the organ presented a program of nuptial music and accompanied Milton O. Carpenter, soloist who sang "The Wedding Prayer," "I Walk With God" and "With Shall Be One."

The bride, daughter of Mr. and Mrs. H. V. Draa, Sr., was given in marriage by her father. Her floor length gown featured a fitted beige bodice with scoop neckline trimmed with seed pearls and sequins, and a bouffant skirt with a "Bustle" puff back treatment. Her double tier elbow length veil of silk illusion fell from a Queen's crown of silk organza petals trimmed with seed pearls. Her flowers were white roses, centered on a white Bible, and showered with white sweetheart roses.

Miss Cindy Ponder was maid of honor in a dress of romance pink silk organza with fitted bodice and midriff, featuring scoop neck and short sleeves, bouffant skirt with full back puffs held in place with self, color roses. Her matching rose headpiece was short veil and was designed and made by Mrs. J. A. Ponder. She carried a spray of Philip Aristocrat roses.

Miss Terry Tucker, Miss Gloria Miriam Smith and Miss Linda Rabin were bridesmaids. All wore dresses and headpieces styled after the honor veil and their flowers were sprays of pink sensation roses. Eileen Weldon and Janice Weldon of Gainesville, nieces of the bride were flower girls. They wore pink nylon organza dresses with headpieces like the bridesmaids, and they carried baskets of rose petals. H. V. Draa, III, of Jacksonville, the bride's nephew was ringbearer. John A. Dulany was his son's best man and usher groomsmen were Sydney Smith, Jr., Dewitt Draa, brother of the bride, Jimmy Schoepel and Dow McClelland both of Pahokee.

Mrs. Draa chose for her daughter's wedding an electric blue chiffon sheath dress with short sleeves, and empire Chantilly lace bolero. She, matching accessories, a floral

hat in tones of blue and a white orchid corsage. The bridegroom's mother, Mrs. Dulany, wore a pink sheath dress of nylon linen, trimmed with French lace, rhinestones and braid. The same design was carried out in the 3/4 length coat. She wore matching accessories and a violet orchid corsage.

Mrs. Calvin Shive of Pahokee, grandmother of the groom wore a lace dress with short jacket of matching material with white accessories and a violet orchid corsage.

Following the ceremony a reception was held in the Ladies Parlor of the church. Assistants were Mrs. J. A. Ponder, Mrs. P. C. Schoenfeld, Mrs. E. J. Carlson, Mrs. R. E. Tucker, Mrs. H. L. Royal, Mrs. Lee D. Rustin, Mrs. Hazel Post, Servicing the wedding cake were Mrs. E. S. Weldon, sister of the bride, Mrs. S. K. Smith, Jr., the groom's sister, Mrs. N. T. Taylor.

Miss Gwen Rustin kept the bride's book and Miss Stevie Kaufman, Miss Linda Wilder and Leonard Kenyon at Ocala.

E. L. Haymore has returned to his home at Tucson, Arizona after visiting his daughter and family Mr. and Mrs. Jack Newcome.

Mr. and Mrs. Frank Prevatt met their nephews, Ronnie and Steve Rosendahl, of Laconia, N. J. at Miami International Airport on Thursday. Mrs. Rose Armstrong of Belle Glade accompanied her grandsons to their home in Naples where they will enter school.

Mrs. J. H. Harrell is convalescing at her home in Bean City after spending three weeks in Belle Glade Memorial Hospital as a medical patient. Mrs. Harrell had as her guests her father, J. P. Prevatt, Mrs. Arley Hicks and children of Lake Worth, Mr. and Mrs. A. J. Harrell and family of West Palm Beach.

Mr. and Mrs. Howell Goodbread and family spent the weekend in Vero Beach with relatives.

Sharon Crow has returned to her home in Miami Springs after

NEGRO NEWS

(AHTNC) — Army 2d Lt. Napoleon D. Rhodes, son of Mrs. Cleo Rhodes, 841 South west Avenue E. Belle Glade, Fla., recently was graduated from the 101st Airborne Division Jump School at Fort Campbell, Ky. Lieutenant Rhodes received his paratrooper wings after completing three weeks of intensive ground and aerial

training which included five parachute jumps. The 101st, a major Strategic Army Corps (STRA) unit, maintains a constant, anywhere, in case of national emergency.

He entered the Army last February and was last stationed at Fort Belvoir, Va. A member of Phi Beta Sigma Fraternity, the 22-year-old officer is a 1956 graduate of Lake Shore High School and a 1960 graduate of Florida Agricultural and Mechanical University in Tallahassee.

ter spending a week with her cousin Nancy Goodbread. Mrs. Frank Prevatt and daughter, Jannell of Bean City, Mrs. Bob Beardsley and Beverly of Clewiston also Mrs. Rose Armstrong of Belle Glade spent Wednesday in West Palm Beach on business.

Mrs. Jack Newsome and children spent Saturday in Lake Worth with Mrs. Arley Hicks and family.

Okeechobee Center Girl Scouts Club Finish Swim Lessons

Girl Scouts of Okeechobee Center completed their swimming lessons on the 25th of August with a Summer Hop at Lake Shore Recreation Center.

During the time the Girl Scout Club took lessons transportation was furnished by Mr. James Wierengo to whom the girls and their leaders give thanks, also to Mr. Rudlege and

the life guard at the pool. Appreciation is also extended to Harvey Poole for favoring the club with music for the summer hop and the men of Okeechobee center for their cooperation in having six cars for transportation.

Leaders of the Girl Scout club are Mrs. Cora Leary, Mrs. Gladys Ellis, Mrs. Hazel Gibbons, Mrs. Irene Anthony, Mrs. Myrtle M. Walker.

There are 1,100 home demonstration clubs in Florida.

How to get up to 30 extra miles per tankful

Shell test drivers add a "fifth wheel" to their cars for precise distance measurement during mileage tests. It helps them record performance to a decimal point.

Here are some tips from Shell's experts on how to get maximum mileage from your car. If you practice these good driving habits — and if you use today's Super Shell, with 9 ingredients for top performance — you may well save a pretty penny on gasoline bills.

SHELL scientists spend much of their working lives figuring out how to get the most mileage out of a gallon of gasoline. Here are some of the things they've learned.

1. Don't race a cold engine. When your engine is cold, it uses up more fuel. You're also in danger of underlubrication. You pay in greater engine wear.

NOTE: Today's Super Shell has fast warm-up ingredients to save gasoline. And Shell X-1000 Premium Motor Oil moves freely even when cold — saves fuel and reduces engine wear.

2. Use a light touch on the accelerator. Tromping down on the pedal is an expensive habit. Starting up, it holds your automatic transmission in a lower "gear" longer — makes the engine turn faster, wasting fuel. Under way, uneven pedal pressure is costly, too. Feel just enough fuel to maintain even speed.

3. Drive "ahead of your car." Watch for slowing traffic and red lights as far ahead as you can see. Then coast up to the stopping cars, instead of braking heavily when you get there.

4. Don't let fuel costs creep up at the stop light. If your car "creeps" when idling with the automatic transmission engaged, have your idle speed adjusted. If you drive a stick shift, remember that pumping the accelerator won't change the light. It only uses up gasoline.

5. Don't indulge in jack rabbit starts. Racing starts are fine on race tracks — but the drivers of those cars are lucky to get 6 miles per gallon.

NOTE: Air resistance at high car speed is the biggest single drain on power. It increases approximately as the cube of the vehicle speed. Even few sails on aerials may cost you gasoline.

6. Check your tire pressure regularly. Under-inflated tires increase friction and cut mileage.

NOTE: Tire pressures build up during a long run. Don't let air out to bring the pressure down — it makes the tires run even hotter. Check cool tires only.

7. Check for dragging brakes. Have your Shell dealer check for wheel drag next time you're in for a lubrication. If brakes drag, you pay for it every mile.

8. Get these fuel-saving adjustments. If spark timing is off, for example, you pay in wasted gasoline — and possibly in engine damage. A compression check can reveal power-wasting valve and ring conditions. Other essentials:

A. Keep your spark plugs at peak efficiency. Use Super Shell gasoline with unique TCP* additive to give them extra life.

B. Adjust carburetor.

- C. Have automatic choke checked.
- D. Clean or replace filters for air, fuel, oil as manufacturer recommends.
- E. Tighten fuel line connections.
- F. Have automatic transmission or clutch checked regularly.
- 9. Get regular oil changes and lubrication — including transmission and differential. Your Shell dealer knows what to do. And he has the finest equipment and lubricants. Your car will last longer. Your gasoline will go farther.
- 10. Show this advertisement to everyone who drives your car — especially if you pay their gasoline bills. We can't guarantee 30 extra miles per tankful — but the closer these suggestions are followed the better your mileage will be. To start off right, fill up with today's Super Shell. Its nine ingredients mean top performance.

Super Shell's 9 ingredients for top performance

- #1 is TCP for power and longer plug life.
- #2 is Pentane mix for fast warm-ups.
- #3 is anti-knock mix to resist all knocks.
- #4 is Alkylate to control "high-speed knock."
- #5 is Butane for quick starts.
- #6 is "crack-free" gasoline — for power.
- #7 is "anti-rust" — added in cold weather.
- #8 is gum preventive for clean carburetors.
- #9 is Platformate for extra mileage.

At Shell, 1961 scientists are working to make your car go better and longer.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U. S. Patent 2889212.

Taylor Attends Management Seminar

NAT Taylor, Belle Glade, (left) discusses latest fertilizer manufacturing practices with A. E. Cascino, vice president of marketing for International Minerals & Chemical Corporation. Taylor was one of the executives representing leading fertilizer manufacturers of North America participating in a recent 3-day Fertilizer Management Seminar in Skokie, Ill. Each received a copy of "Managing For Profit," a new reference book for fertilizer manufacturers published by IMC, that contains a complete text of the seminar. Taylor is General Manager of Wedgworth, Inc.

County Cattleman Hospital Notes

To Hear Dr. Sippel

Dr. William Sippel will be the speaker at the meeting of the Palm Beach County Cattleman Association, Tuesday, Sept. 12 at 7:30 p.m. at the Canal Point Community Center, Canal Point. According to Herb Chapman, program chairman, the topic of the speaker will be "Prevalence, Problems and Prevention of Liver Flukes and Stomach Worms." Dr. Sippel is director of the Florida Livestock Board Diagnostic Laboratory, Kissimmee, is in a position to bring cattlemen in the county up to date on the importance of this subject. A covered dish dinner will be served at 7:30 p.m. with the Cattleman's Association furnishing the meat, bread and drink. Each family attending are to bring a covered dish either a vegetable, salad or dessert dish.

Your Library

Mrs. Bettie W. Harris, librarian, is happy to announce that the children of Belle Glade have had a wonderful summer of reading. The circulation of juvenile books for the month, June, July and August was 4,025.

A story hour was conducted at the Public Library by Mrs. Dorothy Jones, for six weeks. This was in connection with the recreational program sponsored by Palm Beach County and the City of Belle Glade, and was well attended and most successful.

Many new books have been added to the shelves of the library. The True Life Adventure Series by Walt Disney contain rich supplementary material for programs in reading, science and social studies, for the fourth, fifth and sixth grade level.

Forty-eight Biographies of Famous People are for the fourth grade level but so well written that a high school student will enjoy them. They are brief and accurate portraits of these people's lives, with events that molded the character of each.

Six books in Tomorrow Land Series are authentic, and trace the development of earliest discoveries to scientific marvels of today, and awe-inspiring plans for the future. These are adopted for use in intermediate grades.

We were There books written by leading children authors. The stories that concern the adventures of boys and girls who take part in history-making events. Young people introduced to historical facts in an enjoyable format. Latest editions are "We Were There, with Jean Lafitte," "We Were There, with Lewis and Clark," "We Were There, with the Norman Invasion" and "We Were There, with the Mayflower Pilgrims."

Many books of first and second grade level are available. They are as attractively bound and beautifully illustrated and have proven irresistible to the young readers.

DOWPON controls catatils and problem grasses along ditches

A regular spraying program with DOWPON® puts an end to the continual expense and hard work of burning, chipping or cultivating Johnson or Bermuda grass out of crop lands and catatils out of ditches. In headlands and along fence lines, too, DOWPON eliminates grass-for it kills the deep roots as well as tops. Through cumulative action, this program becomes less costly each year. You'll find DOWPON cheaper than chiselers or borers, less messy than oiling. Simply mix DOWPON with water, and spray.
